Choose to Work (CTW) meets business needs with customized services and qualified applicants. Utah State Office of Rehabilitation (USOR) and Utah Department of Workforce Services (DWS) partner to ensure employment success.

This service meets employment needs of Utah businesses by providing them with qualified and job ready individuals. CTW Employment Specialists provide preparation and placement services to Utah job seekers with disabilities. CTW meets diverse workforce needs across all industries.

• A diverse workforce can create better solutions to business challenges.
• Employees with disabilities have equal or higher job performance rates, higher retention rates and lower absenteeism.
• Potential for business tax credits.
• Employees with disabilities represent a diverse customer base and give business an advantage to a broader market base.
• People with disabilities bring unique characteristics and skills to the workforce.
